

Introducing **NotifiSM** banking alerts! When you log into SSB Online Banking, you will see an updated **Sundance State Bank Internet Banking Agreement** that includes new information about the alerts. Click the “I Agree” button to continue using the online banking platform.

Then, if you like, you can choose to Enroll in alerts. Once you're enrolled, click “Manage Alerts” to set up email, text message or secure inbox (online banking message box) alerts. You'll just need to confirm phone numbers and email addresses for these.

In addition to this, you can also set up “Push” alerts within the Sundance State Bank mobile app. To do this, please refer to the CHEAT SHEET pages below. If you have any questions at all, please contact our bookkeeping department for assistance. We hope you enjoy the new features now included in online and mobile banking.

MOBILITI™ WITH NOTIFI™ CHEAT SHEET

You can now receive real-time push notifications that actually matter

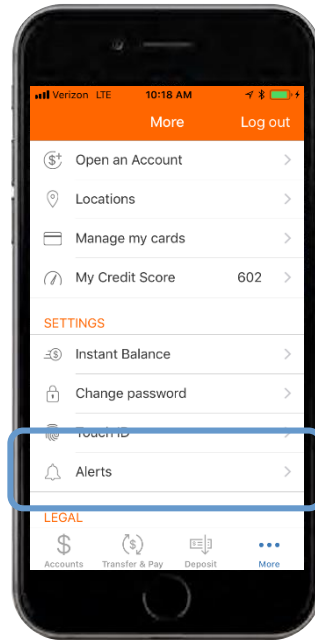

Getting started with Notifi

Log in to your app using your User ID and password, or biometric login.

After logging in, you will be brought to your account overview page. To enable Notifi, tap on the **“More”** button at the bottom right of the screen.

Under settings, tap on the **“Alerts”** tab.

To enable push notifications, toggle the switch.

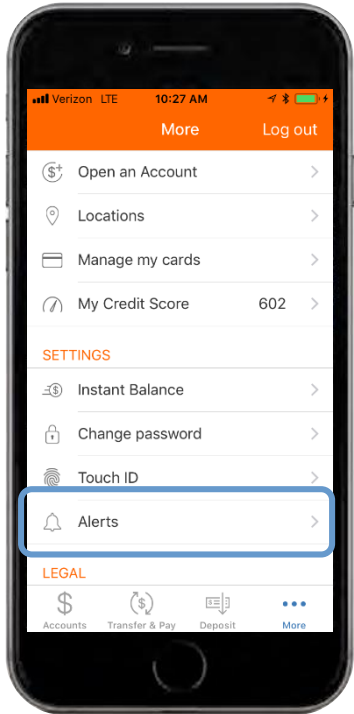

Depending on your mobile operating system, you may be asked to confirm that you would like to enable push notifications. To enable them, tap **“Allow”**.

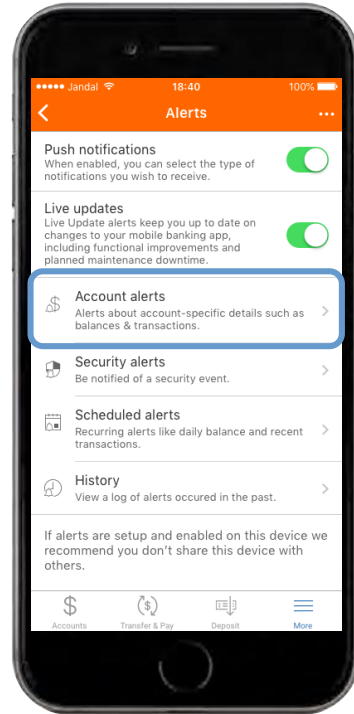

The green toggle indicates that this feature is enabled. You can customize alerts by selecting **“Account Alerts”** or **“Security Alerts”**. You can view your alert history by selecting **“History”**.

How to enable account alerts

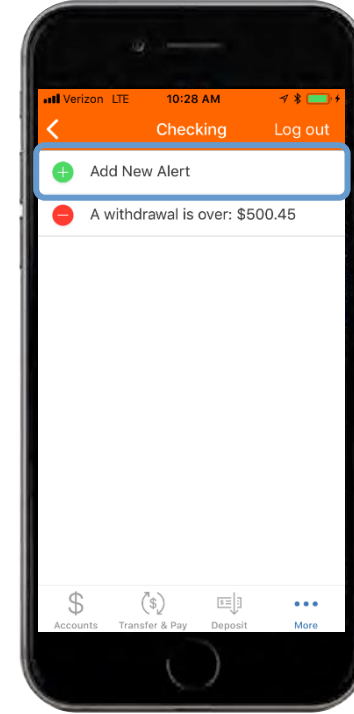

Under the "More" menu, tap on the **"Alerts"** tab under settings.

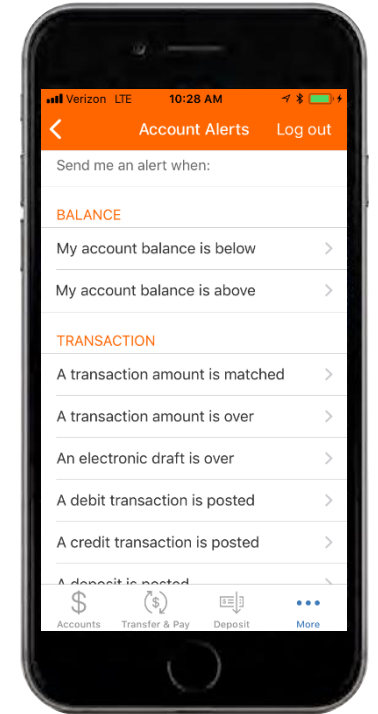

After enabling push notifications, tap on the **"Account Alerts"** tab.

You will be able to choose the account for which you wish to receive alerts.

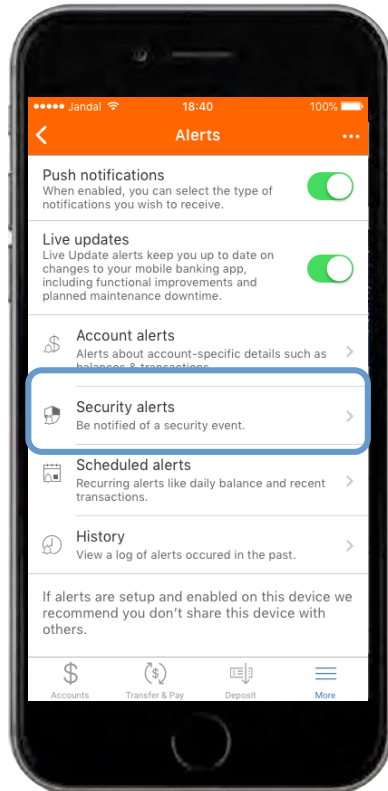

After selecting the appropriate account, you can add specific alerts. To add a new alert, tap on the **"Add New Alert"** tab at the top the screen.

Where eligible, you can receive balance and transaction alerts. Tap on the specific alert(s) you want to receive and set specific parameters if necessary. These settings will be saved after they are enabled.

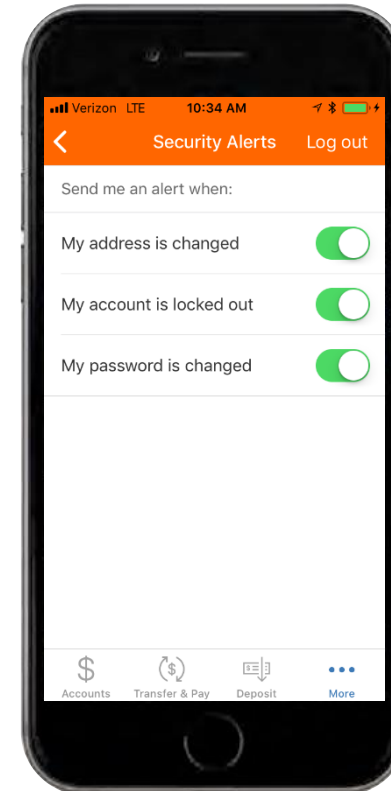

How to enable security alerts

After enabling push notifications, tap on the **"Security Alerts"** tab.

Where eligible, you can toggle on security alerts for a change of address, account lock outs and password changes. Toggle on the security alerts you want to receive.

The green toggle indicates that these security alerts are enabled.
